

International Excellence Campus in Marine Sciences

The Sea that join us

International Staff Week. 8th-12nd July, 2024

CEIMAR AT A GLANCE

8 Universities:

7 Research Centres:

1. **CSIC**: The Spanish National Research Council.
2. **IEO**: The Spanish Institute of Oceanography
3. **IHM**: Hidrographic institute of the Spanish Navy
4. **ROA**: The Spanish Navy Observatory
5. **IFAPA**: Research and training institute on Agriculture and Fishery. Regional government.
6. **CAS-IAPH**: Subaquatic Archeology Centre. Historic Heritage Institute of Andalusia.
7. **ARQUA**: The National Museum of Underwater Archaeology.

5 private sector entities at regional and national level

A common challenge

CEI·MAR strategy is based on the aggregation of **research capacities**, facilitating the interaction and cooperation of researchers from its institutions, focused on the Marine and Maritime sciences, **CEI·MAR** mission is the knowledge and technology transfer **from research towards the Blue Economy industry and the society** bringing together research, industry, public administration and other key actors in order to face joint research challenges with an approach based on scientific leadership and excellence.

To meet these goals CEI·MAR works daily towards:

Within 6 thematic specialization areas:

Collaboration with stakeholders

Training, awareness and research

Marine-maritime research

Integrated management of the sea

The sea as a source of resources

European Projects

Training abroad programmes

Health and Well-being from the sea

Marine-maritime engineering

The cultural value of the sea

CEIMAR ERASMUS+ MOBILITY CONSORTIUM

The sea that unites us

Co-funded by
the European Union

Erasmus+
Enriqueciendo vidas, abriendo mentes.

FUNDACIÓN
cei·mar

campus de excelencia internacional del mar

CEI·MAR

Erasmus+ mobility consortium

aims at the professional development of students and recent graduates of the universities participating in the consortium through specialised training in the fields related to the sea.

What CEIMAR E+ consortium offers to IN and OUT?

**E+ MOBILITIES
FOR TRAINING**

RESEARCH PLACEMENT

INTERNSHIPS

COMPANIES

TECHNOLOGY/RESEARCH INSTITUTES

CLUSTERS

MARINE NETWORKS

CEIMAR INSTITUTIONS

What CEIMAR E+ consortium offers to IN and OUT?

**TALENT
ATTRACTION**

**INVITING STAFF FROM UNIVERSITIES, ENTERPRISES OR
RESEARCH INSTITUTES TO TEACH IN THE CEIMAR
CONSORTIUM**

What CEIMAR E+ consortium offers to IN and OUT?

**BIP
PARTICIPATION**

**PARTICIPATING AS ATTEDEES IN A BLENDED INTENSIVE
PROGRAMME**

What CEIMAR E+ consortium offers to IN and OUT?

**CEIMAR
SCIENTIFICS
EVENTS/PROJECTS**

**BY MEANS OF A SHORT MOBILITY TO PARTICIPATE IN THE
EVENTS ORGANISED BY CEIMAR**

What CEIMAR E+ consortium offers to IN and OUT?

**E+ MOBILITIES
FOR TRAINING**

**TALENT
ATTRACTION**

**CEIMAR
SCIENTIFICS
EVENTS/PROJECTS**

**BIP
PARTICIPATION**

CEIMAR ERASMUS+ CONSORTIUM A GATE FOR THE COLLABORATION
