# Our past shapes who we are.

Let me tell you a little about it.

A little  
history does  
no harm...

Southern Europe

origins

A little  
history does  
no harm...

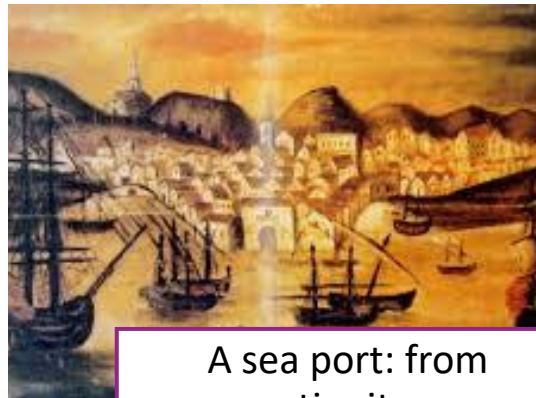

Ancient  
times.

A mining district: from  
antiquity...

...to the early twentieth-  
century.

A sea port: from  
antiquity...

...to the present day.

Renaissance

...a legacy  
that  
remains in  
the city...

...shaping  
the lives of  
those who  
inhabit it.
