Empowering Young Leaders for Global Development Challenges

Are there conditions the hosting institution should fulfil?

Empowering Young Leaders for
Global Development Challenges

When and where could be celebrate a joint staff week considering:

- In Africa, other African institutions cannot receive funding to attend this SW from LiderAfrica.
- The hosting institution should be able to hold a staff week similar as the one we are celebrating in the University of Cádiz.
- It is desirable that other HE institutions, stakeholders, etc. could attend.

What about
internships?

Which mobility types
are more demanded
in your institutions:

- Students (Bachelor's? Master's? PhD?)?
- Academic Staff?
- Admin Staff?

The proposal for the renewal of this project should be ready in January 2025,

- Is there anything you think may help us strengthen our proposal?
- Any other suggestion regarding the renewal of this project?
